

ZEN DOGGIE DOG TRAINING

Training Equipment Required for Training Classes

- Flat buckle Collar (Please, no choke chains or prong collars)
- 6' Lead Only (Please, no retractable leashes)
- Fanny Pack or Treat Pouch (This pouch will provide easy access to your treats so that your hands can be free to use hand signals while teaching your dog & helps promote good timing for your rewards.)
- Yummy Treats (What does your dog really love?) Turkey, Cheese, Ham, Chicken, Hot dogs, etc... These are millions of dollars to your dog! Cut up into small pieces (the size of a pea) and bring in your fanny pack or treat pouch. If your dog has dietary issues please use what you see fit.
- Mat or Towel (For your dog to sit on during class)
- Harnesses are fine to use. (If you have a dog that pulls we recommend the Premier Gentle Leader Easy Walk Harness or Gentle Leader Head Collar.)
- Please do not feed your dog before class. You want your dog to be hungry so that they will want to work for their rewards.
- Exercise before class is a good idea if you have time.
- Lets have fun!! Training should be fun and rewarding for both canine and human. If you get frustrated, stop and breathe!
